## **Terms and conditions PSIPP-subscriptions**

Quality Sailing is a privately owned company operating in The Netherlands. Quality Sailing is committed to providing you with excellent service for all of its products. Here we explain to you the terms and conditions of the PSIPP subscriptions.

### *The Product*

We sell subscriptions to detailed statistical analyses of Port State Control Inspections in the Paris MOU Region and the European Union. We are committed to providing up to date analyses based on inspection data published by the Paris MOU Organization and the European Maritime Safety Agency (EMSA) and related organizations.

You may use, print or download this information for use within your organization, provided you do not remove or alter any copyright, trademark, or any other proprietary notices. You may not retrieve the data to create or compile, directly or indirectly, a collection, compilation, database, or directory without written permission from Quality Sailing. Nor may you publish any content or its portions in any form without written permission from Quality Sailing. All other rights are reserved.

### *Disclaimer*

Quality Sailing will process, verify and, where possible, cross-check the data on which the statistical analyses are based. To the best of our knowledge, the analyses presented are correct and complete. However, because these analyses are based on data provided by organizations over which Quality Sailing has no control, we can assume neither liability nor responsibility for any errors or omissions resulting from (or pursuant to) errors or omissions in data published by, or retrieved from our systems.

### *Trial and Refund Policy*

You have the option to cancel your subscription within a trial period of 60 days. You may cancel your subscription at any time during this trial period and will receive a 90% refund on any subscription fees paid. However, after the trial period expires the conditions for prolongation and cancellation will apply and you will have no right to demand a refund.

### *Payment*

You pay for the subscription by means of a yearly, pre-payable subscription fee, for which you will receive an invoice.

### *Prolongation and cancellation*

Your subscription will be prolonged on a yearly basis unless you inform us at least 30 days before the date of prolongation. You may cancel your subscription at any time for any reason. After your subscription is cancelled no further payments will be due. However, there will not be any full or partial refunds for any reason of the payments already made.

### *Changes to these Terms and Conditions*

These Terms and Conditions are subject to change without notice. Any such changes will be posted online on the Products and Prices pages of our PSIPP product. If you do not agree with the new terms and conditions your only option is to cancel your subscription according to the terms set forth above.

### *Use of subscriptions*

You purchase the subscription for exclusive use by your organization. Sharing your subscription with anyone outside your organization is prohibited. It is your responsibility to keep your password private and secure. If you believe your password may have been compromised please notify us immediately.

### *Further questions*

If you have any questions about the Terms and Conditions of your subscription please contact us before you commit to the purchase.
